Dear Patrons,

The Storey County Community Library wants to applaud and give a big shout out to our Patrons for using our online resources to stay in touch with the Library and actively becoming involved with our website. We are so pleased to announce we have many new Patrons! Remember, you can apply for a Library Card Online 24/7. This gives you access to Libby (e-reader), our webpage, catalog, databases and many more resources. The library is currently open to the community Monday-Thursday from 10AM to 6PM. Ring the doorbell or call 847-0541 to gain access.

Have a safe summer, stop by the Library, grab up some books, and say Hi!

Our Best from the Library Staff

Our Library

As the summer program for Comstock Kids is in full swing, the staff are all wearing masks. Additionally, we are asking you to ring the buzzer at the door to gain access. For our Summer Reading Program we have placed bins of books around the library for easy access and a variety of genre selections. Please feel free to come in and grab a stack of books to read for yourself, your children, grandchildren, nieces, nephews! We challenge everyone to pick up a book and read for 20 minutes every day. Just put it on your calendar to Stop, Drop, and Read! Trust me, you may find yourself reading for more than 20 minutes!
