The Holidays are approaching very quickly. The Storey County Community Library wants to say **thank you** to all of our Patrons and friends. We are ecstatic that the online services we have added to the Webpage are so popular and helpful. The Storey County Community Library Webpage has never been so active. Please take a moment to slow down and be grateful for books, databases, and eBooks to escape your overactive schedules and seek pleasure in good readings.

As you know, it is scientifically proven reading even 20 minutes a day from a source which inspires us is what gives us a chance to relax, escape, and enjoy the talent of others. Please remember a book is a gift that lasts forever.

On that note, we have added a variety of new e-books and audiobooks on Libby. Please download the app to enjoy listening to a new selection of material. Not only are there new fiction audios for adults we have included numerous e-books to keep children entertained during your travels over the Holidays. Stay safe, stay warm and radiate gratitude, mindfulness, and go forth in Peace.

Warm Greetings, from your Library Staff

It's All About Libby

We would like to remind our Patrons about “Libby”, a books app that allows kids to browse and borrow e-Books and audiobooks from our Library’s Libby app. Even little kids can access picture books with read-along audio, making some books more accessible to early readers. One of the modern redeeming qualities of family road trips is the audio book. Now, thanks to Libby, an app that gives you access to thousands of audiobook titles free, it’s easier to load up your family favorites and keep everyone entertained.
