It is the most wonderful time of the year. It is also a busy time of year, especially for your digital library! With reading challenges wrapping up, holiday travel, kids occupying themselves over break, and new devices under the tree, the Storey County Community Library would like to share Libby digital news. Take a moment to browse through the vast amount of material Libby has to offer our Patrons.

The Storey County Community Library webpage has numerous activities and suggestions to keep yourself and your family and guests entertained during the Holidays.

It is easy to become a Patron, join Libby, and start listening to audio books on your travels, or reading an ebook by the fire. Plus, we have a variety of links to browse on our website to enjoy and entertain, all in the comforts of your own sleigh, home or mode of transportation of your choice.

Merry Christmas and Happy Holidays to all!

Yours truly,

The Library Staff
